

## **Moe Jamshidi is named Acting Director May 4, 2015 to June 8, 2015**

Mostafa “Moe” Jamshidi serves as the Deputy Director of Operations for the Nebraska Department of Roads. He coordinates the activities of all eight Districts and eight Divisions including Materials and Research, Construction, Operations, Human Resources, Business Technology and Support, Communication, Controller, and Rail & Public Transportation Divisions.

Moe has been involved in the design and construction of highway projects for over 30 years. He is a graduate of the University of Nebraska Omaha with a degree in Civil Engineering and is a registered Professional Engineer in the state of Nebraska. He started his career with the Nebraska Department of Roads back in 1984 in Omaha as a student intern. After graduating from the University, he accepted a full-time position with the department in the District 3 construction office, in Columbus. In the following years, Moe served the department as a Structural Engineer, Geotechnical Engineer, and later as the Assistant Bridge Engineer. He also served as the department’s Materials and Research Engineer for 12 years. Moe and his wife, Rhonda, have two sons, Carl, and Devin.
